Subject: Responses to Agency Comments on the Draft Area 40 RDIP
Attachments: RTC - AREA 40 RDIP.pdf

Hi Everyone – Attached are Aerojet Rocketdyne's responses to the comments (RTC) on the Area 40 Remedial Design and Implementation Plan (RDIP). If modifications to the RDIP are needed based upon the response, the modification is included verbatim in the RTC. We would like to finalize the RDIP by the end of this month, so please review these responses and come to the meeting on July 17 (Agency technical meeting date) prepared to discuss.

Thanks! Chris
